FAAST TEAM SAFETY SEMINAR

"I WISH I HAD NOT..."

Join us for a guided, candid group discussion on aviation lessons that we have learned the hard way, or came too close for comfort!

We are going to talk about fuel, airspace, radio communications, density altitude, runway incursions, and much more!

**SATURDAY, JULY 20TH 10AM-12PM
AT SOUTHERN MAINE AVIATION, KSFM**

Wings credit will apply.

If you have a story to tell or have more questions please contact Andrew Button at ajbutton@flyingsma.com
